Subject: APPRECIATION FOR THE SIISTANCE

I write to heartily thank you all for your support to the Caucus of Parliamentarians for Environmental Protection that will enable two of the four short listed delegates to participate during the:

1st GEO Donor Capacity Building Symposium & the 5th Capacity Building Committee Meetings, Seville, Spain, 10-13 September 2007.

This support will go a long way to reduce the cost of participation and making it possible for the Caucus, and Members of the Multi Stakeholders Support Group to participate fully during this very important meeting and workshop.

As a group of MPs working for the protection of the Environment and working closely with the Ministries of: Environment & Nature protection, Forestry and Wildlife, Agriculture & Regional Development, Fisheries and Animal Husbandry, Water & Energy, and Scientific & Technological Research including Environmental Related NGOs (Local & International); meetings of this nature gives us a good

opportunity not only to learn but to establish contacts that will be of much help to the Cameroonian Environment.

We are happy to inform you that the two short listed Caucus MPs are Bureau Members of the National Assembly, making it possible for ideas to be easily included in bills to be voted in the house. Taking into consideration the extra ordinary session called from August 21st 2007 and to end in September 22nd 2007 and to be followed by a budgetary session in November 2007, participation by my colleague and I during this meeting will not be possible, including that of the Secretary, Mr. NKONGHO Enoh Napoleon. We are therefore replacing our participation with three other members: two from the multi Stakeholder Support Group and one field Research Senior Staff of the Caucus.

The List will now consist of:

- | | |
|-----------------------------------|-------------|
| • Mme. ESUM Helen NKONGHO | Team Leader |
| • Mme. ZAMKE Elisabeth MASSANGONG | Member |
| • Mr. Divine TAMBONG KUM | Member |
| • Mr. M. TONG FANG | Member |

Base on information from the Travelling Agency, we are suppose to pay for the tickets three days after reservation, say by Thursday 16th August 2007 without which the reservation shall be cancelled. Also, I may like to know the Daily Subsistence Allowance; this will enable us know how much to request for assistance from the Multi Stakeholder Support Group for the two others. Please, do us the favour to fax copies of their letters on invitation, including hotel reservation and travelling programme to the Spanish Embassy, in Yaounde, Cameroon,

Many thanks in advance for your kind consideration;

Sincerely

Hon. ROSE ABUNAW MAKIA
