A GOLDEN AGE OF TECH

SPECIAL FSM AWARD PROGRAM: FOR GETTING SELECTEES ONTO TRAINING

“Auditors are needed.

“The planet needs Clears.

“The fourth dynamic needs auditing.

“Get auditors in.”

(LRH, FSM Series 4)

We have just launched a GOLDEN AGE OF TECH for all of Scientology. This is a turning point for the clearing of the planet as we can now make *PERFECT* auditors capable of applying the tech 100% standardly, every time!

With the new drills for auditors, the Drills Simulator, the new QUANTUM E-Meter and the Flag-trained supervisor and word clearer teams who are top experts in using these tools in every org, real auditors who can audit are going to be made like never before.

Additionally, there are tens of thousands of auditors who have been trained through the years, however the majority of these auditors do not audit. These auditors need to be selected into the orgs to do the Auditor Certainty Courses which will handle their uncertainties and make a whole corps of expert auditors to activate in the field.

To validate those Field Staff Members who are working to make the Golden Age of Tech a reality by getting their selectees onto auditor training, the following special FSM award program is launched:

FOR EVERY 6 SELECTEES STARTED ON A MAJOR ACADEMY TRAINING SERVICE, THE FSM IS AWARDED AN AUDITOR CERTAINTY COURSE TO HIS CURRENT LEVEL OF TRAINING (OR EQUIVALENT VALUE IN TRAINING).

This awards program is effective from May 18th to July 20th.

New auditors now have a specific lineup of courses, which include Student Hat, Professional TR Course, Upper Indoc TR Course, the new Metering Course, Method One Co-audit and the Academy Levels. By getting your selectees started on this new auditor training line-up, you will create a new generation of auditor — like none before!

ANYONE can now train to perfection. And that means creating an army of *PERFECT* auditors in every corner of planet Earth. Make each one of your selectees an expert auditor with the Golden Age of Tech by getting them onto their training now!
